

Anti-Gun Bills to be heard in the Rhode Island Senate Judiciary Committee!

On April 2nd, 2019, the Rhode Island Senate Judiciary Hearing will hear a number of **BAD gun bills**, including a ban on commonly owned semi-automatic firearms, limit magazine capacity to 10 rounds, require FFLs to report all gun sales to the State Police, and to ban firearms up to 300' from a school! These bills will **NOT** make anyone safer and will **infringe** on your right to keep and bear arms.

You can prevent these bills from becoming law by attending a pro-gun rally at the State House before the hearing. The rally will start at 3pm, April 2nd, and last for the rest of the evening! You will also have the opportunity to testify in front of the Senate Judiciary committee to voice your opinion on these bills. The most important part is that **you and your friends** attend the State House rally on Tuesday April 2nd!

Pro-Gun Bill: S597

Anti-Gun Bills: S84, S156, S464, S469, S502, S595, S635, S636, S637, and S638

Where: Rhode Island Capitol, 82 Smith Street, Providence, RI 02908. Parking is available at the mall or around the Capitol building after 5pm (free).

When: April 2nd, 2019. Rally starts at 3pm and will last until at least midnight!
